Wisener, who worked as a carpenter building residential sites in various cities in Texas and New Mexico including, but not limited to, Burnet, Texas. His duties included, but were not limited to, working with and around other tradesmen applying Johns-Manville insulation products. While Plaintiff Naomi Wisener's late husband used, handled, and/or was in the vicinity of others using or handling asbestos or asbestos-containing products, dangerously high levels of asbestos fibers were released into the air at his work places. These fibers were carried home on his clothing and were frequently inhaled and ingested by Plaintiff NAOMI WISENER through direct contact with her late husband and washing his work clothes.

b.) Plaintiff alleges she experienced exposure to asbestos through her regular and frequent personal use of the following asbestos-containing products: Coty Airspun loose face powder from approximately the 1950s to the 1970s; Johnson's Baby Powder from approximately 1950 to the 1990s; Avon talcum powders from approximately the 1950s to the early 2000s; Maybelline pressed face powder, CoverGirl pressed face powder, Revlon pressed face powder, Maybelline blushes, CoverGirl blushes, Revlon blushes, Maybelline eyeshadows, CoverGirl eyeshadows, and Revlon eyeshadows from approximately the 1960s to the 1980s; Cashmere Bouquet talcum powder and Shower-to-Shower talcum powder from approximately the 1970s to the 1980s; White Shoulders talcum powder from approximately the 1970s to the 1990s; Nina Ricci L'Air du Temps talcum powder from approximately 1975 to 1989; L'Oréal pressed face powder, L'Oréal blushes and L'Oréal eyeshadows from approximately the 1980s to the 2000s; White Diamonds talcum powder in the 1990s; and Amway eyeshadows from approximately 1978 to 1982. Plaintiff was also exposed to asbestos through her regular and daily use of asbestos-containing Johnson's Baby Powder on her infant children from approximately 1950 to 1953, 1955 to 1957, and 1966 to 1968, and on her infant grandchildren from approximately 1972 to 1974, 1977 to 1981, 1986 to 1988, 1991 to 1993, and 1995 to 1997, intermittently. Additionally, Plaintiff was exposed to asbestos through her late husband, Clyde Wisener's, regular and frequent use of asbestos-containing Gold Bond foot powder, Dr. Scholl's foot powder, and Desenex foot powder from approximately the 1960s to the 2000s, all while in close proximity to Plaintiff. Plaintiff was also exposed to asbestos through her daughters', Jonna Robinson's and Roseanna

McCreary's, regular and frequent use of Nina Ricci L'Air du Temps talcum powder from approximately 1975 to 1989, all while in close proximity to Plaintiff. During these time periods, Plaintiff was also exposed to asbestos-containing talc supplied by Barretts Minerals Inc., Brenntag North America, Inc. (sued individually and as successor-in-interest to Mineral Pigment Solutions, Inc. and as successor-in-interest to Whittaker Clark & Daniels, Inc.), Brenntag Specialties LLC f/k/a Brenntag Specialties, Inc. f/k/a Mineral Pigment Solutions, Inc. (sued individually and as successor-in-interest to Whittaker Clark & Daniels, Inc.), Charles B. Chrystal Company, Inc., Cosmetic Specialties, Inc. (sued individually and formerly d/b/a G&G Specialty Products Co.), Pfizer Inc., Specialty Minerals Inc. (sued individually and as a subsidiary of Minerals Technologies Inc.) and Whittaker Clark & Daniels, Inc., and asbestos-containing talcum powder and cosmetic products supplied by Brookshire Grocery Company and H-E-B, LP. These exposures occurred while Plaintiff and her family members resided in the following locations: Ackerly, Denver City, and Sweetwater, Texas, from approximately 1950 to 1957; Hobbs, New Mexico, from approximately 1957 to 1959; Lovington, New Mexico, from approximately 1959 to 1966; Coahoma, Texas, from approximately 1966 to 1969; Austin, Texas, from approximately 1969 to 1970; Euless, Texas, from approximately 1970 to 1971; Dallas and Houston, Texas, in approximately 1971; Danville and Abilene, Texas, in approximately 1972; Big Spring, Texas, from approximately 1972 to 1973; Carrollton, Texas, in approximately 1973; San Antonio, Texas, from approximately 1973 to 1975; Burnet, Texas, from approximately 1975 to 2010; and Tyler, Texas, from approximately 2010 to the present. Plaintiff NAOMI WISENER's regular and frequent personal use of Coty Airspun loose face powder, Johnson's Baby Powder, Avon talcum powders, Maybelline pressed face powder, CoverGirl pressed face powder, Revlon pressed face powder, Maybelline blushes, CoverGirl blushes, Revlon blushes, Maybelline eyeshadows, CoverGirl eyeshadows, Revlon eyeshadows, Cashmere Bouquet talcum powder, Shower-to-Shower talcum powder, White Shoulders talcum powder, Nina Ricci L'Air du Temps talcum powder, L'Oréal pressed face powder, L'Oréal blushes, L'Oréal eyeshadows, White Diamonds talcum powder and Amway eyeshadows, Plaintiff's regular and frequent use of Johnson's Baby Powder on her infant children, Plaintiff's intermittent use of Johnson's Baby Powder on her infant grandchildren, Plaintiff's late husband's use of asbestos-containing Gold Bond foot powder, Dr. Scholl's

foot powder, and Desenex foot powder, and Plaintiff's daughters' regular and frequent use of Nina Ricci L'Air du Temps talcum powder, all while in close proximity to Plaintiff, generated asbestos-containing dust and exposed Plaintiff NAOMI WISENER to respirable asbestos fibers.

ALLEGATIONS AGAINST MANUFACTURING AND EQUIPMENT
DEFENDANTS

49. Plaintiff NAOMI WISENER alleges she was exposed to asbestos-containing products, and/or asbestos-containing talc, and/or other finished and unfinished asbestos-containing talcum powder products, and/or asbestos-containing cosmetic, and/or raw asbestos fiber of various kinds and grades through Plaintiff's late husband's use of asbestos-containing products, through Plaintiff's personal use of talcum powder and cosmetic products, Plaintiff's use of talcum powder on her infant children and grandchildren, and Plaintiff's late husband's and daughters' use of talcum powder products while in close proximity to Plaintiff. Each Defendant corporation or its predecessor-in-interest is, or at times material hereto, has been engaged in the mining, processing and/or manufacturing, sale and distribution of asbestos-containing products, and/or asbestos-containing talc, and/or other finished and unfinished asbestos-containing talcum powder products, and/or asbestos-containing cosmetics, and/or raw asbestos fiber of various kinds and grades (hereinafter collectively referred to as "Defendants' Products"). Plaintiff NAOMI WISENER was exposed, on numerous occasions, to Defendants' Products which were produced and/or sold by Defendants and in so doing, inhaled great quantities of asbestos fibers. Further, Plaintiff alleges as more specifically set out below, that she has suffered injuries, illnesses, and disabilities proximately caused by her exposure to Defendants' Products which were designed, manufactured and sold by Defendants. In that each exposure to Defendants' Products caused or contributed to Plaintiff NAOMI WISENER'S injuries, illnesses and disabilities, Plaintiff says that the doctrine of joint and several liabilities should be extended to apply to each Defendant herein.

50. Plaintiff NAOMI WISENER was exposed to Defendants' Products that were manufactured, designed and/or distributed by the Defendants and/or their predecessors-in-interest through Plaintiff's late husband's use, Plaintiff's personal use, Plaintiff's use on her infant children and grandchildren, and Plaintiff's family members' use of Defendants' Products while in close proximity to Plaintiff. Plaintiff would show that the defective design and condition of Defendants'

Products rendered said Products unreasonably dangerous, and that Defendants' Products were in this defective condition at the time they were designed by and/or left the hands of Defendants. Plaintiff would show that Defendants' Products were defective in the manner in which they were marketed for their failure to contain or include adequate warnings regarding potential asbestos health hazards associated with the use of or the exposure to Defendants' Products, defectively designed because they were more dangerous than would be contemplated by an ordinary user, the risks of Defendants' Products outweighed their benefits, and defectively manufactured as they failed to comply with Defendants' own specifications and protect against asbestos exposure. Plaintiff would show that this market defect rendered Defendants' Products unreasonably dangerous at the time they were designed or left the hands of the Defendants. Plaintiff would show that Defendants are liable in product liability including, but not limited to, strict product liability for the above-described defects.

51. The Defendants are or were engaged in the business of selling, manufacturing, producing, designing and/or otherwise putting into the stream of commerce Defendants' Products, and those Products, without substantial change in the condition in which they were sold, manufactured, produced, designed and/or otherwise put into the stream of commerce, were a proximate and/or producing cause of the injuries, illnesses and disabilities of Plaintiff NAOMI WISENER.

52. Defendants knew that Defendants' Products would be used without inspection for defects and, by placing them on the market, represented that they would safely do the job for which they were intended, which must necessarily include safe manipulation, installation, operation, maintenance, repair, personal use, and/or handling, and/or adequately protect the consumer against asbestos fibers liberated in the air during the manipulation of Defendants' Products.

53. Plaintiff NAOMI WISENER and her family members were unaware of the hazards and defects in Defendants' Products which made them unsafe for purposes of manipulation, installation, personal use and/or handling.

54. During the periods that Plaintiff NAOMI WISENER was exposed to Defendants' Products which were manufactured and sold by various Defendants, those Products were being utilized in a manner which was intended by Defendants.

55. In the event that Plaintiff is unable to identify each injurious exposure to Defendants' Products, Plaintiff would show the Court that the Defendants named herein represent and/or represented a substantial share of the relevant market of Defendants' Products at all times material to

this cause of action. Consequently, each Defendant should be held jointly and severally liable under the doctrines of enterprise liability, market-share liability, concert of action and alternative liability, among others.

56. The injuries, illnesses and disabilities of Plaintiff NAOMI WISENER are a direct and proximate result of the negligence of each Defendant and/or its predecessor-in-interest in that said entities produced, designed, sold and/or otherwise put into the stream of commerce Defendants' Products which the Defendants knew, or in the exercise of ordinary care should have known, were deleterious and highly harmful to Plaintiff's health and well-being. Certain Defendants created hazardous and deadly conditions to which Plaintiff was exposed and which caused Plaintiff to be exposed to a large amount of asbestos fibers. The Defendants were negligent in one, some and/or all of the following respects, among others, same being the proximate cause of Plaintiff's injuries, illnesses, and disabilities:

- (a) in failing to timely and adequately warn Plaintiff NAOMI WISENER, her family members, and others of the dangerous characteristics and serious health hazards associated with exposure to Defendants' Products;
- (b) in failing to provide Plaintiff NAOMI WISENER, her family members, and others with information as to what would be reasonably safe and sufficient wearing apparel and proper protective equipment, if in truth there were any, to protect Plaintiff NAOMI WISENER and others from being harmed and disabled by exposure to Defendants' Products;
- (c) in failing to place timely and adequate warnings on the containers of Defendants' Products or on Defendants' Products themselves to warn of the dangers to health of coming into contact with Defendants' Products;
- (d) in failing to take reasonable precautions or exercise reasonable care to publish, adopt and enforce a safety plan and/or safe method of handling, utilizing and using Defendants' Products in a safe manner;
- (e) in failing to develop and utilize a substitute material or design to eliminate asbestos fibers in Defendants' Products;
- (f) in failing to properly design and manufacture Defendants' Products for safe use under conditions of use that were reasonably anticipated;

- (g) in failing to properly test Defendants' Products before they were released for consumer use; and
- (h) in failing to recall and/or remove Defendants' Products from the stream of commerce despite knowledge of the unsafe and dangerous nature of Defendants' Products.

COUNT TWO
ALLEGATIONS AGAINST SUPPLIER DEFENDANTS

57. All of the allegations contained in the previous paragraphs are realleged herein.

58. For all pertinent times, BARRETTS MINERALS INC., BRENNTAG NORTH AMERICA, INC. (SUED INDIVIDUALLY AND AS SUCCESSOR-IN-INTEREST TO MINERAL PIGMENT SOLUTIONS, INC. AND AS SUCCESSOR-IN-INTEREST TO WHITTAKER CLARK & DANIELS, INC.), BRENNTAG SPECIALTIES LLC F/K/A BRENNTAG SPECIALTIES, INC. F/K/A MINERAL PIGMENT SOLUTIONS, INC. (SUED INDIVIDUALLY AND AS SUCCESSOR-IN-INTEREST TO WHITTAKER CLARK & DANIELS, INC.), BROOKSHIRE GROCERY COMPANY, CHARLES B. CHRYSTAL COMPANY, INC., COSMETIC SPECIALTIES, INC. (SUED INDIVIDUALLY AND FORMERLY D/B/A G&G SPECIALTY PRODUCTS CO.), H-E-B, LP, PFIZER INC., SPECIALTY MINERALS INC. (SUED INDIVIDUALLY AND AS A SUBSIDIARY OF MINERALS TECHNOLOGIES INC.) and WHITTAKER CLARK & DANIELS, INC. (hereinafter collectively referred to as "Supplier Defendants") individually sold, distributed, and supplied asbestos-containing talc, and/or asbestos-containing products, and/or asbestos-containing cosmetics (hereinafter "Supplier Defendants' Products") that Plaintiff NAOMI WISENER came in contact with and inhaled, thereby causing her injuries, illnesses and disabilities.

59. Supplier Defendants as manufacturers, miners, shippers, distributors, and suppliers of Supplier Defendants' Products, and/or owned and/or operated by asbestos product manufacturers are liable to Plaintiff for their failure to warn of the health hazards of exposure to asbestos and failure to design and package their products so as to adequately protect and warn users and bystanders of the dangers of exposure to asbestos.

60. Further, Supplier Defendants are liable to Plaintiff NAOMI WISENER as professional vendors of Supplier Defendants' Products, and as such, because of the Defendants' size, volume of business and merchandising practices, knew or should have known of the defects of the

Supplier Defendants' Products they sold and/or supplied, and are strictly liable and negligent for failing to warn users and bystanders of potential health hazards from the use of said products.

61. Further, Supplier Defendants made misrepresentations regarding the safety of asbestos to the asbestos-product manufacturers, thereby fraudulently inducing other sophisticated users to use Supplier Defendants' asbestos-containing talc, and/or asbestos-containing products, and/or raw asbestos fibers of various kinds and grades instead of other types. As such, Supplier Defendants are liable to Plaintiff NAOMI WISENER for her suffering and injuries from a disease caused by exposure to Supplier Defendants' Products because Supplier Defendants' fraudulent misrepresentations were detrimentally relied upon (1) by asbestos-product manufacturers incorporating Supplier Defendants' asbestos-containing talc and/or raw asbestos fibers of various kinds and grades into their finished products and (2) by Plaintiff NAOMI WISENER who was exposed to Supplier Defendants' Products.

62. Finally, Supplier Defendants are liable to Plaintiff because they knew or should have known that the Supplier Defendants' Products which they sold and supplied were unreasonably dangerous in normal use, and their failure to communicate this information constitutes negligence. This negligence was the cause of Plaintiff NAOMI WISENER'S illnesses, injuries and disabilities including, but not limited to, asbestos-related mesothelioma and other ill health effects.

COUNT THREE
CONSPIRACY ALLEGATIONS AGAINST ALL DEFENDANTS

63. All of the allegations contained in the previous paragraphs are realleged herein.

64. Plaintiff further alleges that Defendants and/or their predecessors-in-interest knowingly agreed, contrived, combined, confederated and conspired among themselves and with other entities to cause Plaintiff NAOMI WISENER'S illnesses, injuries and disabilities by exposing her to harmful and dangerous Defendants' Products. Defendants and other entities further knowingly agreed, contrived, combined, confederated and conspired to deprive Plaintiff NAOMI WISENER and her family members of the opportunity of informed free choice as to whether to use Defendants' Products or to expose themselves to said dangers. Defendants committed the above-described wrongs by willfully misrepresenting and suppressing the truth as to the risks and dangers associated with the use of and exposure to Defendants' Products.

65. In furtherance of said conspiracies, Defendants performed the following overt acts:

- (a) for many decades, Defendants individually, jointly, and in conspiracy with each other and other entities have been in possession of medical and scientific data, literature and test reports, which clearly indicated that the inhalation of asbestos dust and fibers resulting from the ordinary and foreseeable use of Defendants' Products was unreasonably dangerous, hazardous, deleterious to human health, carcinogenic, and potentially deadly;
- (b) despite the medical and scientific data, literature and test reports possessed by and available to Defendants, Defendants individually, jointly, and in conspiracy with each other and other entities fraudulently, willfully, and maliciously:
 - (1) withheld, concealed, and suppressed said medical and scientific data, literature and test reports regarding the risks of cancer, mesothelioma and other illnesses and diseases from Plaintiff NAOMI WISNER and her family members who were using and being exposed to Defendants' Products;
 - (2) caused to be released, published and disseminated medical and scientific data, literature and test reports containing information and statements regarding the risks of cancer, mesothelioma and other illnesses and diseases which Defendants knew were incorrect, incomplete, outdated and misleading; and
 - (3) distorted the results of medical examinations conducted upon individuals such as Plaintiff NAOMI WISNER, who were using or in close proximity to Defendants' Products and being exposed to the inhalation of asbestos dust and fibers, by falsely stating and/or concealing the nature and extent of the harm to which Plaintiff and others such as Plaintiff have suffered.
- (c) Other conspirators participating in the conspiracy, or in ongoing or subsequent conspiracies (hereinafter called the "conspirators"), were member companies in the Quebec Asbestos Mining Association, and/or Asbestos Textile Institute, and/or the Industrial Hygiene Foundation, and/or the Cosmetic Toiletry and Fragrance Association (now Personal Care Products

Council). Acting in concert, the conspirators fraudulently misrepresented to the public and public officials, *inter alia*, that asbestos did not cause cancer and that the disease asbestosis had no association with pleural and pulmonary cancer and affirmatively suppressed information concerning the carcinogenic and other adverse effects of asbestos exposure on the human respiratory and digestive systems.

- (d) In addition, Defendants contrived, combined, confederated and conspired through a series of industry trade meetings and the creation of organizations such as the Air Hygiene Foundation (later the Industrial Hygiene Foundation) to establish authoritative standards for the control of industrial dusts which would act as a defense in personal injury lawsuits, despite knowing that compliance with such standards would not protect individuals such as Plaintiff NAOMI WISENER from contracting an asbestos-related disease or cancer.
- (e) In furtherance of said conspiracies, Defendants and/or their co-conspirators contributed to cause the establishment of a Threshold Limit Value for asbestos exposure, and contributed to the maintenance of such Threshold Limit Value despite evidence that this supposed “safe” level of exposure to asbestos would not protect the health of individuals such as Plaintiff NAOMI WISENER even if complied with.
- (f) As the direct and proximate result of the false and fraudulent representations, omissions and concealments set forth above, Defendants individually, jointly, and in conspiracy with each other intended to induce Plaintiff NAOMI WISENER and her family members to rely upon said false and fraudulent representations, omissions and concealments, to continue to expose themselves to the dangers inherent in the use of and exposure to Defendants' Products, which caused the release of respirable asbestos fibers.

66. Plaintiff NAOMI WISENER and her family members reasonably and in good faith relied upon the false and fraudulent representations, omissions and concealments made by Defendants regarding the nature of Defendants' Products.

67. As a direct and proximate result of Plaintiff NAOMI WISENER's and her family members reliance on Defendants' false and fraudulent representations, omissions and concealments, Plaintiff NAOMI WISENER sustained damages including injuries, illnesses and disabilities and was deprived of the opportunity of informed free choice in connection with the use of and exposure to Defendants' Products.

GROSS NEGLIGENCE/MALICE ALLEGATIONS AGAINST ALL DEFENDANTS

68. All of the allegations contained in the previous paragraphs are realleged herein.

69. The actions and inactions of Defendants and their predecessors-in-interest, as specifically alleged hereinabove, whether taken separately or together, were of such a character as to constitute a pattern or practice of gross negligence, intentional wrongful conduct and/or malice resulting in damages and injuries to Plaintiff NAOMI WISENER. Defendants' conduct was specifically intended by Defendants to cause substantial injury to Plaintiff, or was carried out by Defendants with a conscious and flagrant disregard for the rights, safety and welfare of others and with actual awareness on the part of Defendants that the conduct would, in reasonable probability, result in human deaths and/or great bodily harm. More specifically, Defendants and their predecessors-in-interest consciously and/or deliberately engaged in oppression, fraud, willfulness, wantonness and/or malice with regard to Plaintiff NAOMI WISENER and should be held liable in punitive and exemplary damages to Plaintiff.

AIDING AND ABETTING ALLEGATIONS AGAINST ALL DEFENDANTS

70. All of the allegations contained in the previous paragraphs are realleged herein.

71. The actions of all Defendants aided, abetted, encouraged, induced or directed the negligent and/or intentional acts of each and every other Defendant.

72. Each of the Defendants knew or should have known that its individual actions would combine to cause the injuries, illnesses and disabilities of Plaintiff NAOMI WISENER.

73. The actions of each of the Defendants is a proximate cause of Plaintiff NAOMI WISENER'S injuries, illnesses and disabilities. As a result, all Defendants are jointly liable for the damage caused by their combined actions.

COUNT SIX
NEGLIGENCE PER SE ALLEGATIONS AGAINST ALL DEFENDANTS

74. All of the allegations contained in the previous paragraphs are realleged herein.

75. The actions of all Defendants also constituted negligence per-se.

76. Each Defendant violated federal and state regulations relating to asbestos exposure. Such violations constitute negligence per-se or negligence as a matter of law. Further, each such violation resulted in dangerous and unlawful exposures to asbestos for Plaintiff NAOMI WISENER. Plaintiff is not making any claims under federal law; instead, Plaintiff is simply using the violation of federal standards as proof of liability on her state-law theories. Further, the reference to Federal regulations does not create a Federal question. See *Merrell Dow Pharmaceuticals, Inc. v. Thompson*, 478 U.S. 804 (1986). Any removal on this basis will be met with an immediate motion for remand and for sanctions.

77. The negligence per-se of each Defendant was a proximate cause of Plaintiff NAOMI WISENER'S injuries, illnesses and disabilities.

COUNT SEVEN
FRAUD

78. All of the allegations contained in the previous paragraphs are realleged herein.

79. **Fraudulent Misrepresentation:** All Defendants are liable for their fraudulent misrepresentations:

- (a) First, each of these Defendants, via its employees, agents, advertisements, or any other authorized person or document, represented that certain facts were true when they were not, and made material representations that were false. The specific identities of these employees, agents, advertisements, or any other authorized person or document are maintained in Defendants' records. Such records remain in the exclusive control of Defendants pursuant to Defendants' respective document-retention policies. While Plaintiff does not currently know all of the specific advertisements, or the names of all of the employees, agents, or any other authorized person who made the representations, Plaintiff will have access to this information once discovery has commenced and will be able to specifically name the advertisements as well as the employees, agents, or any other authorized persons.

- (b) Second, Defendants represented that the asbestos-containing products they manufactured, supplied, or specified for use were not hazardous to humans. These representations, including material misrepresentations, were made before and during the years that Plaintiff NAOMI WISENER and her family members purchased, used, and Plaintiff was exposed to asbestos from Defendants' Products. Such representations were made either directly to Plaintiff, her family members, or to a third party intending and reasonably expecting that the substance of those representations would be repeated to Plaintiff and her family members.
- (c) Third, Defendants knew that the representations were false when they made them, or they made the representations recklessly and without regard for their truth. Defendants representations and conduct were false statements and representations of fact.
- (d) Fourth, Defendants intended that Plaintiff NAOMI WISENER and her family members, and/or the same class of persons as Plaintiff and her family members, rely and act on the representations or their substance.
- (e) Fifth, Plaintiff NAOMI WISENER and her family members reasonably relied on Defendants' material and false representations or the substance of those representations.
- (f) Sixth, Plaintiff NAOMI WISENER developed mesothelioma.
- (g) Seventh, Plaintiff NAOMI WISENER's justifiable reliance on those material representations was a substantial factor in causing Plaintiff's mesothelioma.

80. **Conspiracy to Commit Fraudulent Misrepresentation:** Plaintiff hereby incorporates by reference the allegations of Paragraph 79 as if fully stated herein. All Defendants are liable for their conspiracy to commit fraudulent misrepresentation.

- (a) First, Defendants were aware that their conspirators, which included all co-Defendants and others, planned to commit fraudulent misrepresentation against Plaintiff and her family members, and/or the same class of persons as Plaintiff and her family members.

- (b) Second, Defendants agreed with their conspirators and intended that the false and fraudulent misrepresentation, including material misrepresentations of fact, be committed.
- (c) Third, Plaintiff NAOMI WISENER developed mesothelioma.
- (d) Fourth, each Defendant's participation in the conspiracy was a substantial factor in causing Plaintiff's mesothelioma.

81. **Knowledge of Hazards:** At all times pertinent hereto, all Defendants owed Plaintiff NAOMI WISENER a duty, as provided for in Restatement (Second) of Torts §525-551, to abstain from injuring her person, property, or rights. In violation of that duty, these Defendants, and each of them, did do the acts and omissions, when a duty to act was imposed, as set forth herein, thereby proximately causing injury to Plaintiff. Such acts and omissions consisted of acts falling within Restatement (Second) of Torts §525-551, and more specifically were (i) suggestions of fact which were not true and which the Defendants did not believe to be true, (ii) assertions of fact of that which were not true, which the Defendants had no reasonable ground for believing it to be true, and (iii) the suppression of facts when a duty existed to disclose it, all as are more fully set forth herein, and the violation of which as to any one such item gave rise to a cause of action for violation of Plaintiff's rights as provided for in the aforementioned Restatement (Second) of Torts §525-551.

82. Since 1924, all of the Defendants have known and possessed of the true facts (consisting of medical and scientific data and other knowledge) which clearly indicated that Defendants' Products referred to herein were and are hazardous to the health and safety of Plaintiff NAOMI WISENER and others similarly situated. Defendants engaged in the following acts and omissions:

- (a) Did not label any of the aforementioned Defendants' Products as to the hazards of said Products to the health and safety of Plaintiff NAOMI WISENER, and others in Plaintiff's and her family members' positions using Defendants' Products when the knowledge of such hazards was existing and known to Defendants, and each of them, since 1924. By not labeling Defendants' Products as to their said hazards, Defendants, and each of them, caused to be suggested as a fact to Plaintiff and her family members that it was safe for them to use said Products, when in fact these things were not true and Defendants did not believe them to be true.

- (b) Suppressed information relating to the danger of using Defendants' Products by requesting the suppression of information to Plaintiff NAOMI WISENER and her family members, Plaintiff's and her family members' class of persons, and the general public concerning the dangerous nature of the Defendants' Products to all persons, including users, bystanders and household members, by not allowing such information to be disseminated in a manner which would give general notice to the public and knowledge of the hazardous nature thereof when Defendants were bound to disclose such information.
- (c) Sold Defendants' Products to the public, including Plaintiff NAOMI WISENER and her family members, and others in Texas and other states without advising them of the dangers of using and otherwise being exposed to Defendants' Products, and the dangers to those persons' family members, when Defendants knew of such dangers as set forth herein and above, and had a duty to disclose such dangers. Thus, Defendants caused to be positively asserted to Plaintiff, her family members, and the public that which was not true and which Defendants had no reasonable ground for believing to be true, in a manner not warranted by the information possessed by Defendants and each of them, of that which was and is not true, to wit, that it was safe for Plaintiff and her family members to use Defendants' Products and that they did not pose a risk of harm.
- (d) Suppressed and continue to suppress from everyone, including Plaintiff NAOMI WISENER and her family members, medical, scientific data, and knowledge of the accurate results of studies including, but not limited to, Waldemar C. Dreesen of the United States Public Health Service's 1933 report to the National Safety Council, the results of a study conducted among tremolite, talc and slate workers. The study indicated that talc was a hydrous calcium magnesium silicate, being 45% talc and 45% tremolite, and the National Safety Council stated "The results of the study seemed to indicate a relationship between the amount of dust inhaled and the effect of this dust on the lungs of the workers." As early as 1934, the National Safety Council was

publishing information stating that "a cause of severe pulmonary injury is asbestos, a silicéte of magnesium." In the September 1935 issue of National Safety News, an article entitled *No Halfway Measures in Dust Control* by Arthur S. Johnson reported lowered lung capacity resulting from "asbestosis" and "similar conditions" that developed "from exposure to excess of many mineral dusts relatively low in free silica content." The article further noted that claims for disabilities from workers who alleged exposure to "clay, talc, emery, and carborundum dusts" had "claims prosecuted successfully." The article concluded that "[i]n the absence of adequate diagnoses, occupational histories and a more satisfactory method of adjudicating claims than prosecution at common law, we must conclude that it is necessary to find a practical method for controlling all mineral dusts."

- (e) Belonged to, participated in, and financially supported the Industrial Hygiene Foundation, Asbestos Information Association, the Asbestos Textile Institute (ATI), and other industry organizations, including the Cosmetic, Toiletry, and Fragrance Association (now known as the Personal Care Products Council), which actively promoted the suppression of information of danger to users of Defendants' Products for and on behalf of Defendants, and each of them, thereby misleading Plaintiff NAOMI WISENER and her family members to their prejudice through the suggestions and deceptions set forth above in this cause of action. ATI's Dust Control Committee, which changed its name to the Air Hygiene Committee of ATI, was specifically enjoined to study the subject of dust control; discussions in such committee were held many times of (i) the dangers inherent in asbestos and the dangers which arise from the lack of control of dust and (ii) the suppression of such information from 1946 to a date unknown to Plaintiff at this time.
- (f) Knew and possessed medical and scientific information of the connection between inhalation of asbestos fibers and asbestosis in 1930 with the study of mine and mill workers at the Thetford asbestos mines in Quebec, Canada, and the study of workers at Raybestos-Manhattan plants in Manheim and Charleston, South Carolina. This information was disseminated through the

ATI and other industry organizations to all other Defendants, and each of them herein. Between 1942 and 1950, Defendants, and each of them, knew and possessed medical and scientific information of the connection between inhalation of asbestos fibers and cancer, which information was disseminated through the ATI and other industry organizations to all other Defendants herein. Thereby, Defendants suggested as fact that which is not true and disseminated other facts likely to and which did mislead Plaintiff NAOMI WISENER and her family members for want of communication of true facts, which consisted of the previously described medical and scientific data and other knowledge by not giving Plaintiff and her family members the true facts concerning such knowledge of danger, when Defendants were bound to disclose this information.

- (g) Failed to warn Plaintiff NAOMI WISENER and her family members, and others similarly situated regarding the nature of Defendants' Products. In 1968, a study presented at the American Industrial Hygiene Conference and published in the American Industrial Hygiene Association Journal concluded that "[all] of the 22 talcum products analyzed have a . . . fiber content. . . averaging 19%. The fibrous-material was predominantly talc but contained minor amounts of tremolite, anthophyllite, and chrysotile as these are often present in fibrous talc mineral deposits. Unknown significant amounts of such materials in products that may be used without precautions may create an unsuspected problem." [Cralley, L.J., et al.; *Fibrous and Mineral Content of Cosmetic Talcum Products*, 29 Ant Ind. Hyg. Assoc. J.350 (1968).] Defendants failed to warn Plaintiff and others similarly situated that their Products are, among other things, dangerous when breathed and cause pathological effects without noticeable trauma, although Defendants possessed knowledge that such products were dangerous and a threat to the health of persons coming into contact therewith and under a duty to disclose this information.
- (h) Concealed from Plaintiff NAOMI WISENER and others similarly situated the true nature of their exposure, the fact that Defendants knew that exposure

to respirable asbestos meant that Plaintiff would inhale this asbestos, significantly increasing her risk of developing asbestosis, lung cancer, and mesothelioma; that Plaintiff had in fact been exposed to respirable asbestos; that the materials to which Plaintiff was exposed would cause pathological effects in the human body without noticeable or perceptible trauma to warn her of injury; and Defendants engaged in these acts and omissions while under a duty to and bound to disclose this information.

- (i) Failed to provide information to the public at large and buyers, users and physicians of Plaintiff NAOMI WISENER for the purpose of conducting physical examinations of anyone who came in contact with asbestos as to the true nature of the hazards of asbestos, in order for such physicians to diagnose and treat individuals coming into contact with asbestos, in that the materials to which Plaintiff had been exposed would cause pathological effects without noticeable trauma, even though Defendants were under a duty to supply such information and such failure was and is likely to mislead persons, including Plaintiff, as to the dangers and risk of harm to which they were exposed.
- (j) Affirmatively misrepresented that Defendants' Products were safe to use and handle, when Defendants knew such statements were false when made, or made said false statements recklessly and without regard for whether the statements were true.

83. Each of the foregoing acts, suggestions, assertions, and forbearances to act when a duty existed to act, the said Defendants and each of them, having such knowledge, knowing Plaintiff NAOMI WISENER did not have such knowledge and Plaintiff would breathe such material innocently, was done falsely and fraudulently and with full intent to induce Plaintiff to be in a dangerous environment and to cause her to remain unaware of the true facts, all in violation of Restatement (Second) of Torts §525-551.

COUNT EIGHT
BASIS FOR PUNITIVE DAMAGES

84. All of the allegations contained in the previous paragraphs are realleged herein.

85. **Malice, Oppression, and Fraud:** Plaintiff hereby incorporates by reference the allegations of all causes of action as if fully stated herein. All Defendants are liable for punitive damages because they engaged in the conduct that caused Plaintiff harm with malice, oppression, or fraud.

- (a) First, Defendants committed malice in that they acted with intent to harm when they caused Plaintiff's NAOMI WISENER's asbestos exposures, and because their conduct was despicable and was done with a willful and knowing disregard of the rights and safety of others.
- (b) Second, these Defendants committed oppression in that their conduct was despicable and subjected Plaintiff NAOMI WISENER to cruel and unjust hardship and knowingly disregarded her rights.
- (c) Third, the Defendants committed fraud in that they intentionally and fraudulently concealed and misrepresented material facts and did so intending to harm Plaintiff, or with reckless disregard for whether their fraud would harm Plaintiff.

86. These Defendants' conduct constituting malice, oppression, and fraud was committed by, authorized by, and adopted by one or more officers, directors, and managing agents within the corporate hierarchy of each Defendant, who acted on behalf of each Defendant.

87. As a direct and proximate result of such intentional conduct by Defendants, their "alternate entities", and each of them, Plaintiff NAOMI WISENER sustained the injuries, illnesses, disabilities, and damages alleged herein.

DAMAGES

88. The conduct of Defendants, as alleged hereinabove, was a direct, proximate and producing cause of the damages resulting from the asbestos-related disease of Plaintiff NAOMI WISENER, and of the following general and special damages including:

- (a) Damages to punish Defendants for proximately causing Plaintiff NAOMI WISENER'S untimely injuries, illnesses, and disabilities;
- (b) Physical pain and mental anguish sustained by Plaintiff NAOMI WISENER in the past;
- (c) Physical pain and mental anguish that Plaintiff NAOMI WISENER, in reasonable probability, will sustain in the future;

- (d) The past disfigurement suffered by Plaintiff NAOMI WISENER;
- (e) The future disfigurement that Plaintiff NAOMI WISENER will, in reasonable probability, sustain in the future;
- (f) The physical impairment sustained by Plaintiff NAOMI WISENER in the past;
- (g) The physical impairment that Plaintiff NAOMI WISENER will, in reasonable probability, sustain in the future;
- (h) The medical expenses that Plaintiff NAOMI WISENER will, in reasonable probability, sustain in the future;
- (i) Medical expenses incurred by Plaintiff NAOMI WISENER in the past;
- (j) Plaintiff NAOMI WISENER's lost earning capacity sustained in the past;
- (k) Plaintiff seeks punitive and exemplary damages.
- (l) Any and all other recoverable personal injury, survival, and/or wrongful death damages for Plaintiff and Plaintiff's heirs.

89. By their acts and omissions described herein, Defendants intentionally, knowingly and/or recklessly caused serious bodily injury to Plaintiff NAOMI WISENER within the meaning of Tex.Civ.Prac.& Rem. Code §41.008(c)(7) and Tex. Penal Code §22.04.

90. Plaintiff filed suit within two (2) years of Defendants' wrongdoing, which Defendants had and continue to wrongfully conceal.

WHEREFORE, PREMISES CONSIDERED, Plaintiff demands judgment against the Defendants, and each of them, jointly and severally, for general damages, for their costs expended herein, for interest on said judgment from the date this action accrued until paid, at the legal rate, and for such other and further relief, both at law and in equity, to which Plaintiff may show herself justly entitled.

JURY DEMAND

Plaintiff demands that all issues of fact in this case be tried to a properly impaneled jury.

Respectfully submitted,
